Going Virtual

The Professional Women Series is Going Virtual!

Due to current uncertainty surrounding live events and restrictions around social distancing, [Women in Communications](#) [1], [Women in Education](#) [2], & [Women in Public Finance](#) [3] 2021 will take place **exclusively online**, whilst attendees of [Women in Policing](#) [4] & [Women in Local Government](#) [5] 2021 will have the option of attending **in-person or online**.

Over the past number of months, the Professional Women Series team have been working hard to ensure that you can **have a full 'Professional Women' experience in the 'new normal'**.

The Professional Women Series online event platform will enable you to explore **on-demand materials** which will **supplement your learning experience** and help you focus on the topics most relevant to you.

Gather your colleagues and join us online for these unique events, enabling you to develop your career and achieve your potential in 2021!

About the virtual platform:

- The online event platform will enable you to customise your experience, explore **on-demand supplementary materials**, and take notes on the speaker slides during sessions, enabling you to **kick-start your professional development** after a year of upheaval and change.
- Since the platform is accessible via web browser rather than an app, it is **compatible with most security systems**.
- For more information about how to maximise your online event experience, you can find our [top tips here](#) [7].
