Public Finance by Women

Public Finance by Women (PFW) is a non-profit international organisation focused on promoting a gender balanced workforce in public financial management by providing professional networking, mentoring and other careers support for women, as well as promoting the advancement gender equality. In 2020 PFW introduced an innovative mentoring scheme for women working in public financial management to access wherever they are in the world. The organisation led by Gillian Fawcett, Founder with the support of both women and men from 13 countries that help to guide and support the advancement of gender equality in public finance.
